Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Not illustrated. 1922 Excerpt: .gave an almost negligible auditory imagery, viewed alone. Test 1. I am very certain that I did not hear in my imagination the whole phrase from beginning to end. I seem to be able to catch the beginning of it, say three or four notes; the remainder of the phrase I was totally unable to identify even when the greatest effort to do so prevails. In fact I find it necessary to visualize the piano and some one at it in order to get the first part of the phrase in tonal images. Test 2. The high grade 3 here I think is due to the fact that I put the phrase of my invention into the mouth of my mother, who used to sing a great deal and who still sings some. It must be of interest to you to know that when I put the same phrase into the mouth of any one of half a dozen persons I am scarcely able to get any imagery. My auditory imagery is very clear, and I habitually have musical images that are almost as clear as actual hearing. But these images are not subject to voluntary control, and my reaction on the tests is therefore unsatisfactory. Although I have no technical ability, I am more deeply moved by music than are some professional musicians of my acquaintance. Imagined music is a very important factor in my daily life. Musical images are almost present in consciousness. I...
