MYSTERY WRITERS OF AMERICA PRESENTS ICE COLD: TALES OF INTRIGUE FROM THE COLD WA

Grand Central. 1 Paperback(s), 2014. soft. Book Condition: New. Nuclear brinksmanship, psychological warfare, double agents, femme fatales, dead dropsthe Cold War was a time of terrible anxiety, when nuclear war between the world's two superpowers felt like an ever-present, sometimes imminent threat. The era provides a chilling backdrop to these 20 stories from some of today's top mystery writers, including Joseph Finder, John Lescroart, Laura Lippman, J.A. Jance, T. Jefferson Parker, and Sara Paretsky, as well as editors Jeffery Deaver and Raymond Benson, the only American authors commissioned to pen official James Bond novels. In Joseph Finder's "Police Report," the seemingly cut-and-dried case of a lunatic murderer in rural Massachusetts may have roots in Soviet-controlled Armenia. In "Miss Bianca" by Sara Paretsky, a young girl befriends a mouse in a biological warfare laboratory and finds herself unwittingly caught in an espionage drama. And Deaver's "Comrade 35" offers a unique spin on the assassination of John F. Kennedy, with a signature twist. 384.
