### ***Reviews***

*Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.*

## STEPFAMILIES (PAPERBACK)

Random House (Pty) Ltd South Africa, South Africa, 1999. Paperback. Book Condition: New. Reprint. 203 x 132 mm. Language: English . Brand New Book. Based on a landmark longitudinal study, the nation's leading expert on stepfamilies reveals his breakthrough findings and offers the first detailed guide to easing the conflicts of stepfamily life and healing the scars of divorce. There are more than twenty million stepfamilies in America. For most of them, the simple, daily issues that challenge every family are even more anxiety-provoking. After conducting a comprehensive nine-year-long study funded by the National Institutes of Health, Dr. James H. Bray has written an invaluable book that explains why over half of all stepfamilies fail and reveals the strategies that help the others succeed. A stepfamily is assaulted on all sides by difficult and often divisive questions. How much control should a stepparent have over a stepchild? How much authority should a nonresidential parent exert over a child? How should a difficult former spouse be handled? How does an ours baby change the emotional dynamic in a stepfamily? Why is there a lack of honeymoon effect during the first years of stepfamily life? The purpose of Stepfamilies is to answer all the important questions of stepfamily life--to fill in the knowledge gaps that undermine so many stepfamilies today and, crucially, to learn the effect of stepfamily life on children. Based on one of the largest and longest studies of stepfamily life ever conducted, Stepfamilies interweaves the stories of real families to illustrate such study findings as how: a stepfamily has its own natural life cycle a stepfamily takes several years to develop into a family unit a stepfamily is at greatest risk during the first two years a stepfamily ultimately coalesces into one of three forms a stepfamily must...
