

Beginning SharePoint with Excel: From Novice to Professional

By Gini Courter

Apress. Paperback. Book Condition: New. This item is printed on demand. Paperback. 280 pages. Beginning SharePoint with Excel is for advanced Excel users who want to extend the usefulness of Excel by adding the collaborative features of SharePoint. There's no code in this book because it's not for programmers; nor is it for Excel beginners. It's for those who regularly use Excel in enterprise business environments and who want to leverage the power and capabilities of SharePoint. Authors Gini Courter and Annette Marquis have authored over 22 books on Microsoft Office and are partners in a business application consulting firm. In this book, they provide easy-to-implement examples of powerful business solutions. And they take care to explore the interaction between Excel and SharePoint. They also include resources and add-ons that extend SharePoint and Excel features. This item ships from La Vergne, TN. Paperback.
