Reviews

Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

PADDLING THE GUADALUPE

Texas A & M University Press. Paperback. Book Condition: new. BRAND NEW, Paddling the Guadalupe, Wayne H. McAlister, Andrew Sansom, For more than forty years, Wayne H. McAlister has canoed the Guadalupe River, sometimes called the "top recreational river in Texas." In "Paddling the Guadalupe", he guides readers down this 400-mile river whose waters spring from the limestone of the Hill Country in Kerr County, meander across the broad Coastal Plain, and finally empty into the Gulf of Mexico at San Antonio Bay. With the expertise of a life and career immersed in nature, he introduces readers to the places, people, plants, and animals - large and small, aquatic and terrestrial - that depend on the Guadalupe for either their livelihoods or their existence. With affection and humor (and sometimes aggravation), he wryly comments on the development and human activity along the river's course, from the headwaters west of Kerrville to its mouth near Tivoli, just east of Refugio. For the traveler, either on the river or along its course, McAlister's knowledge of the grists, sawmills, dams, bridges, swimming holes, and reservoirs bring the history of familiar towns - Comfort, Canyon Lake, New Braunfels, Seguin, Gonzales, Cuero, and Victoria among them - to life. His love of the natural world, which shares the river's bounty, will inspire and enhance anyone's experience of the Guadalupe, from the serious canoer to the family vacationer. Photographs taken over many years provide an intimate perspective, and sixteen maps help orient those interested in getting to know the river on a more personal basis.
