*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

The monograph had its origin several years ago in the seminary in business organization of Professor Jeremiah W. Jenks while the writer was a graduate student in Cornell University, and to Professor Jenks he is indebted for many helpful suggestions and discussions in planning and prosecuting the work in its early stages. To Dr. Charles H. Hull, Professor of American History, Cornell University, and to Dr. Frank A. Fetter of Princeton University, formerly Professor of Political Economy and Finance, Cornell University, the author also owes a debt of gratitude. Both of these gentlemen read much of the manuscript and their careful criticisms proved of great value throughout the study. What began as an investigation of the development of business organization in Ohio prior to 1863 soon resolved itself into a study of banks and banking, for during that period banks were the largest and the most numerous representatives of the corporate form of business organization in the state. They were the pioneers in big business in Ohio. It has seemed proper to treat the subject in two parts: first, because authorized banking almost ceased in Ohio between 1843 and 1845, as may readily be seen from the diagram in the appendix;...
