CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 88 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Introduction Kevin was your typical 12 year old boy. He was quiet overall and pretty much got along with most of his schoolmates. An average student, he seldom got any attention from his teachers. Even though he got along with his classmates, Kevin didnt have many friends. As a result, last year towards the end of 6th grade, Kevin became the target of a small group of boys in his class led by a boy named Ronny. Ronny had begun to pick on Kevin and because Kevin never fought back, Ronny was beginning to intensify his attacks. Now in seventh grade, Kevin was once again the target of Ronny and his small group of followers. Not knowing what to do, Kevin withdrew further into his world as a way to protect himself until one day the boys chased Kevin into the park. The verbal assaults were about to become a little physical when Ronny shoved Kevin pack into a growth of bushes. At that moment, a loud growl could be heard coming from the overgrow bushes and it was a low, threatening, menacing sound which stopped all of the boys in their tracks. After several minutes, Ronny and his followers fled the park but Kevin was stuck sitting there in the middle of the bushes afraid to move. He had no idea what to do. That growl saved Kevin from what could have been a more physical assault started by Ronny. Unbeknownst to Kevin at the time, that growl would also change Kevins life in the weeks and months that followed. This item ships from La Vergne,TN. Paperback.
