You train, educate yourself, and train again. Reading becomes an obsession for you and your room remains cluttered with books on warfare, tactics, and terrorism studies. You read because you understand that the villains out there are a rather well read bunch themselves. If you live in the city, you study urban warfare. If you live in the country, you study jungle or forest warfare. Always, you learn about first aid, survival, and technology, learning as much from fiction as you do from non-fiction. Your motto: To be better today than you were yesterday and to be even better tomorrow. You are an INDEPENDENT COUNTERTERRORIST and you mean BUSINESS.
