### ***Reviews***

*It is just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).*

Booksurge Publishing. Paperback. Book Condition: New. Paperback. 262 pages. In her new book Entrepreneur Journeys, Forbes columnist and serial entrepreneur Sramana Mitra presents an intimate glimpse into the world of technology start-ups. Through her candid conversations with some of the most innovative practitioners of our times, Mitra captures the stories of entrepreneurs that have come before to offer readers an inside view of how to navigate an entrepreneurial path. A renowned strategist, Mitra combines the knowledge captured in each interview with her own pointed analysis and keen synthesis to illuminate the way for others. With unassuming candor yet probing insights, Journeys reads more like a series of short stories and dinner conversations than what it really is: the quintessential foundation of any entrepreneurs library. Editorial Reviews: Sramana Mitra is herself a symbol of everything that is great about America: a geek, an entrepreneur, an immigrant, a leader. In Entrepreneur Journeys she has taken on the task of modeling how entrepreneurs transform economies into resilient, growing systems that provide a future for our children. - Stewart Alsop, Venture Capitalist Entrepreneurship is not a career. It is a way of life. And what better way to learn about it than to listen to people who have done it, successfully, and to learn about their lives in that fast lane In a carefully structured set of interviews, Sramana Mitra gives the readers an opportunity to discover their paths, their successes, their setbacks sometimes, and the joys of meeting the immense challenges that have been theirs in a dizzying world where technical competence and management skills have allowed them to leave a deep and lasting mark. - Professor M. Elisabeth Pat-Cornell, Chair, Department of Management Science and Engineering, Stanford University Sramana has gifted us with the first hand stories of industry legends who have...
