Brand New Book ***** Print on Demand *****.The Mystery of Death-which is probably the greatest mystery since the dawn of time-has been allegedly solved through modern scientific breakthroughs reported in a host of books, starting with the 1970s bestseller, Life After Life. Near-death-experiences are described in mind-boggling detail by those who have come back. The Mystery of Death contends that there are realities that need to be considered in order to get the full picture. At stake is what...
