John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Tree That Talked, Jenny Smedley, Have you ever stood beneath a majestic 300 year old oak tree and thought, this tree lived before I was born, and will be alive long after I'm dead? Have you ever wondered about such a tree might have witnessed during its long life, and thought, if only it could talk? This is the story of an oak tree, from birth to death. Using the tree as our witness, we see many small moments in history - moments that rippled outward to affect the world. Intimate family moments and tragedies all take place under the oak's shade. But the tree is more than a witness, it is connected to all the life around it. It, too, has its tragedies, its suffering, and times of renewal. After reading this, you won't think the same way about trees again.
