IN SEARCH OF ROBERT MILLAR: UNRAVELLING THE MYSTERY SURROUNDING BRITAIN'S MOST SUCCESSFUL TOUR DE FRANCE CYCLIST

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, In Search of Robert Millar: Unravelling the Mystery Surrounding Britain's Most Successful Tour de France Cyclist, Richard Moore, The compelling story of Britain's best-ever cyclist - one of the most enigmatic, complex and contradictory athletes in any sport - and the unravelling of the puzzle surrounding his sudden and dramatic disappearance. Fully updated with new material on the enigmatic Millar. Cyclist Robert Millar came from one of Europe's most industrialised cities, Glasgow, to excel in the most unlikely terrain - over the high mountain passes of the Pyrenees and the Alps. He was crowned King of the Mountains during the 1984 Tour de France and remains the only ever Briton to finish on the podium of the world's toughest race. In attitude and appearance he was unconventional - the malnourished-looking young Scot with the tiny stud in his ear who could be prickly, irascible and unapproachable - but to many followers he was the epitome of cool. Flying the flag for British cycling, this one-off original became a cult hero. In Search of Robert Millar will follow the career of this other-worldly character, from his tough childhood on the streets of Glasgow in the 1960s to his move to France and success in the world's most brutal and unforgiving races, including the controversy surrounding his positive drugs test and his enforced retirement from the sport at the age of 36. It examines what set Millar apart from all other British cyclists who tried, and failed, to make an impact in this most European of sports, describing his single-mindedness, his eccentricity and the humour and intelligence that emerged only towards the end of his career. It also proffers explanations for his subsequent disappearance, which repeated a familiar pattern: he vanished from Glasgow and...
