Booksurge Publishing, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Enlightened and insightful, Health Is in the Spirit by Claudia Burdick is essential reading for anyone that wants to take control of his, her, or their family s health. It is a landmark indispensable guide that offers sound out-of-the-box thinking based on the author s twenty-year career as an alternative healthcare practitioner. In two sections and forty chapters with titles such as ? Respiratory System: Love,? ?Lungs: Kindness,? ?Brain: Justice,? ?Gemstones, Short and Sweet,? and ?The Essential Oils by Positive States,? Burdick confirms what many readers have suspected: The state of our health is in our control. The most rewarding thing about Burdick s opus is that it is incredibly succinct and readable. The body s twelve systems are delineated and simplified so that readers can make bold moves toward wellbeing; they can do so quickly and without hesitation. Good health really is in the spirit, chosen through the mind. Each of us deserves it.
