Want a job in advertising Well, the marketing and media revolution continues unabated! Advertising media planning also continues in its transition to integrated marketing communications. Media Planning and Buying in the 21st Century is the most comprehensive, up to date, and easy to read media book available. Introducing the Second Edition (January 2013) of Media Planning and Buying in the 21st Century! Written for college students and early career professionals, the book is a how to media planning and buying textbook and reference. The second edition is updated with new industry trends for marketing and markets, traditional and digital media, including internet marketing, social media and a whole new chapter on Media Sales, a major source of ad jobs. Says Lou Schultz, a one-man media think tank and former CEO of Interpublics Initiative Media: Rons book is a remarkable effort to support the way academia must evolve if it is to keep pace with business practices. It is difficult to write an introductory book on any subject, let alone media, without becoming entangled in the tapestry and constraints of history. I think Ron has succeeded. He has changed the framework of the discussion from what I would call pigeonhole thinking to an ecumenical presentation of how the future will shape the perception and use of advertising and media in the 21st Century. The books 560 pages provides instructors with a lot of content and flexibility in designing classes. The contents include: Welcome to the Future The business of media The 21st century revolution in marketing, markets and media Media math review Audience concepts (all media) Understanding media costs Media Impact Media in marketing Communications roles Target market priorities Geographic strategies Timing...
