*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

iUniverse. Paperback. Book Condition: New. Paperback. 140 pages. Dimensions: 8.8in. x 6.0in. x 0.5in.As the saying goes, When life deals you lemons, make lemonade. Having a handicap of his own, the author tells his story of finding his niche in life after retirement with the creation of a community baseball program for children with disabilities. Awakened to the opportunity quite by accident, and aided in funding by Green Bay Packer great Brett Favre and wife Deanna, along with local philanthropist Dick Resch, his mission included building a handicap-safe, rubber surface, baseball field. Touched by the lives of special children, he describes, in detail, the labor of love that went into the development of the program. Relationships develop with parents and their children. After a while it feels like family. Nothing, however, can prepare a person for the loss of someones child. With the field completed he could sit back and turn over the program to be run by others. But no, he teamed up with the mother whose child passed away and went on to raise funds to develop a handicap accessible playground to add to the venue. His hope is that others may replicate his experiences and develop the same Miracle of joy and happiness for children in their communities. This item ships from multiple locations.
