*****. *Includes pictures *Includes accounts of the fighting by soldiers and generals on both sides *Includes online resources and a bibliography for further reading *Includes a table of contents The seemingly unending succession of mountain ranges, ravines and rivers of the Italian terrain demanded the soldierly qualities of fighting valor and endurance in a measure unsurpassed in any other theater of war. - General Sir Harold Alexander Wars should be fought in a better country than this. - Major General John P. Lucas Germany's North African defeat opened up the possibility of taking the war in the west to the European continent for the first time since France's lightning conquest by the Wehrmacht in 1940. The British and Americans debated the merits of landing in France directly in 1943, but they ultimately opted against it. The Soviets railed at the Westerners as bastards of allies - conveniently forgetting that they aided and abetted Hitler's violent expansionism in eastern Europe for over a year starting in 1939 - but a 1943 D-Day style landing...
